GUIDE TO VIGEVANO

THE DUCAL SQUARE THE SFORZESCO CASTLE

° The Piazza Ducale is only a three-minute walk from the Inn. Take a right when you exit the gate and then follow the road along via Dante before taking the small side-street called via Caduti per la Liberazione. Once you reach the end of this street, you'll likely be taken aback as you find yourself in one of the most beautiful squares in Europe!

° From the Piazza Ducale, you can get to the castle (Castello Sforzesco) by ascending a flight of steps or following via del Popolo just off the square. Halfway up these stairs is the Vigevano InfoPoint, which will support you with all your requests.

° The InfoPoint organises guided tours of the castle on Sundays and public holidays for EUR 10/person during the following times:
10:30–11:50am and 2:00–3:30pm

To book a tour or request further information and prices, you can email them directly at:

infopointcastello@comune.vigevano.pv.it

° The castle is also open during the spring–summer seasons between Tuesday and Friday from 9am to 7pm. On Saturdays, Sundays and holidays, the castle closes at 8pm.
On special occasions such as evening events, it remains open for longer with free admission or an event fee.

THE BRAMANTE TOWER THE CIVIC MUSEUMS

° The piazza and the castle are not the only sights in the historic centre: the Bramante Tower soars over the city and the civic museums are housed in the castle's interior spaces.

° You can also reach the second floor of the tower to observe the square and the cathedral from above.

You can purchase tickets for the tower and museums at the Infopoint.
